

Kelvin Grove State College

The Pursuit of Excellence Through Learning

Kelvin Grove State College P & C Association 2010 Voluntary Contribution Appeal

The Kelvin Grove State College P&C Association is committed to providing a strong link between the College, families and the community.

With a significant amount of development commencing at the college, the P&C has entered into a partnership with the college where the college will focus on improvements inside the classrooms, and the P&C will focus on external areas such as shade cloths, landscaping and other projects including air-conditioning.

This year, the P&C has decided to implement a fundraising contribution which allows families to direct funds to their preferred part of the programme. This letter is to request payment of the contribution amount.
