

PARENT ADVISORY GROUPS (PAGs)

Kelvin Grove State College has a long history of working to involve parents in the whole college experience.

Parent Advisory Groups (PAG) were set up for the purpose of giving parents a voice and opportunity to share ideas and also a chance to meet other parents. PAGs are attended by the respective Sub-School Principal and chaired by a P&C Vice President. The groups meet on the 2nd Monday of the month, the week before the P&C meeting, so your feedback can be taken to the full P&C meeting.
