VACATION CARE WRAP UP

Summer Vacation Care is over for another year and it's the start of a brand new school term. We had an absolute blast with the kids these holidays. We celebrated Christmas, had a Mexican Fiesta and had visits from some awesome Australian wildlife. The highlights these holidays have been the paramedic and police visits where the kids learnt how to apply bandages and even turn on the police siren. The seniors loved their trip to the Science Centre and the juniors had a fantastic excursion at Sandgate Lagoon.

If we didn't see you over vacation care we hope you had a happy and safe school holidays. We are looking forward to seeing all the kids back and welcoming our new preps for Term 1 2019.

OUR EXCURSION AND INCURSION HIGHLIGHTS!

Our first excursion to Lazerzone and Chipmunks saw the older kids practicing their teamwork skills as well as their hand eye coordination.

At the Chipmunks play centre the prep to year 2s enjoyed running jumping and climbing in a safe environment.

The next excursion to Grinstead Park and Reading Cinemas we saw just how kind and courteous our kids are. Playing with other kids at the park as well as using their manners and giving way in public spaces. We also all really enjoyed watching *How to Train your Dragon 2* with a few staff members brought to tears.

The Cat in The Hat and Roma Street Parklands was a favourite excursion for many of the prep to year 2s. The show amazing AND the kids got to meet all the actors afterwards! Although it was extremely hot at the parklands the kids loved exploring and enjoying some free time.

The senior students had a wonderful day exploring the museum, science centre and Southbank. The kids explored the science behind light, sound and the solar system. In small groups we then explored Southbank some groups visited the Brisbane sign, the Ferris wheel and the huge playground.

Urban Extreme was a fantastic excursion. The kids were able to use their fine and gross motor skills to get through the giant ninja course.

Our final excursion of the holidays was over to Sandgate Aquatic Centre with the junior kids. The kids practiced their swimming skills while building their confidence in the water.

The Incursions were just as much fun! The kids created fantastic pencil cases, had loads of fun playing with the games trailer, learnt about Australian reptiles and met the emergency services! The stand out incursion was definitely the inflatable obstacle course. It was just what the kids needed on such a hot day.

COMMUNITY CORNER

Suttons Italian Holiday

If you've seen our community board lately you'll see that the Annabella and Jackson Sutton went on a family holiday to Italy. They went through Rome, up into the mountains, visited their mothers family in Rivalta. After that they travelled on to Madrid and Barcelona. Annabella said that the highlight of her trip was seeing the ballet studio in Rivalta and seeing family. Jacksons' favourite part was seeing the Barcelona soccer team play. Check out the notice board for some awesome photos.
