

# Become a Junior Tuckshop Volunteer

Be a part of our wonderful KG school community and volunteer in our Junior Tuckshop. It's a great opportunity to make new friends and be involved in your child's school. Morning tea is provided. There is no minimum commitment required. Just let us know when you are available and we can put you on our roster. We'd love to see you, even if it's only a couple of hours a month. Full training provided. Call or email for more information. Please complete the form below and pop it into us. 😊
