Weareco's Manufacturing Guarantee

At Weareco we're confident our customers will be just as happy with a Weareco-made garment after washing and wearing as the day they bought it and we do everything possible to ensure that our products are of the highest standard possible.

All Weareco garments are supplied with a 12 month manufacturers warranty. The clothing warranty covers defect of workmanship and materials, but excludes damage caused by accident, improper care, negligence, normal wear and tear or the natural breakdown of material through time, exposure and extensive use.

Quality faults include both Fabric and Manufacturing faults such as: Fabric issues like the garment shrinks excessively or doesn't hold its shape, fades or runs after being washed according to care instructions, or the fabric has a pull or tear or hole before being worn. Manufacturing issues like broken stitching, faulty or missing zips, buttons and snaps, and prints, embellishments or trims that come off or are broken.

Claim Management

If a faulty garment is presented to the KGSC uniform shop, the item is forwarded to Weareco HQ for assessment and consultation with our Production Manager & factory takes place to address the error and address and production alterations in future.

All Weareco garments are labelled with the manufacture date which enables us to identify a faulty garment by batch number quickly.

Should a claim be presented outside of this time frame Weareco is also willing to assess and rectify any quality issues where fair and reasonable. Any concerns with Weareco's manufacturing quality after 12 months from the date of purchase are always directed to our customer service team on 07 3253 3100.
