

## 2023 Voluntary Contribution Appeal

The Kelvin Grove State College P&C Association (P&C) is committed to providing a strong link between College, families and the community. This partnership is particularly important as our College community grows.

As you would be aware, the College has a number of significant developments underway or recently completed. The P&C is committed to enhancing these new facilities. For example, the P&C provided funds for landscaping around the new Junior School classrooms. We are also committed to enhancing existing facilities. For example funds raised by the P&C paid for additional library books, heating our College pool, class room air-conditioning and stage risers for our students performing in the College Hall.

**Your contribution helps your student and our College community. Please donate today.**

Please note: From the 14<sup>th</sup> December 2022 P&C's are no longer eligible to operate a Deductible Gift Recipient (DGR) – School building fund, therefore your contribution is no longer tax deductible.

**Amount** - please tick a box

<input type="checkbox"/> \$200.00		<b>Name</b>	
<input type="checkbox"/> \$100.00		<b>Email</b>	
<input type="checkbox"/> \$60.00		<b>Phone</b>	
<input type="checkbox"/> Other Amount	\$	<b>Address</b>	
<input type="checkbox"/> Date		<b>Postcode</b>
